have been advised that my level of supervision is being increased from:

level one (1) to level two (2)

level two (2) to level three (3)

of the Corrections Continuum 901(B) for the following reason(s):

*

I have been advised I have the right to contest this increased level of supervision by grievance procedure. The grievance must be filed within 30 days of this date. I understand that the increased level is effective on (date) * at (specify time) *, whether or not I file a grievance and/or request a court hearing regarding this increased level.

I have been advised that I will be required to be involved in all programming required by the facility and will follow all rules and policies, including payment of required fees and costs.

All offenders who end supervision with a fee that has not been paid will be referred to the State of Iowa Offset Program for collection from any future state payments such as tax refunds, lottery payments, vendor payments, etc.
