

SEX OFFENDER GROUP CONTRACT

I agree to attend and arrive on time for all group sessions. I understand I have to have advance approval to be excused from group for any legitimate reason.

I agree to participate in group sessions by being honest and by appropriately giving constructive feedback to others and accepting feedback from others. I agree on an assigned date, to share with the group the specifics of my crime(s) and personal history.

I agree to complete all reading and writing homework assignments, by the assigned time.

I agree to attend staffing to develop my case plan and discuss my progress in the program as directed by the group co-facilitators or my supervising agent (probation/parole agent).

I agree to maintain the confidentiality of the group – what is said in the group stays in the group.

I agree to pay for sessions. I understand that tardiness will result in my being fined and I will pay for unexcused absences. I understand that failure to pay on time may result in my suspension from the group, which will be considered an unexcused absence.

I understand that communication between group co-facilitators and my supervising agent will generally be limited to my level of participation and attendance at group. However, information determined to be crucial to my successful completion of probation/parole will be addressed with my supervising agent.

I understand I may be subject to progressive discipline including termination from group for non-compliance by not actively and constructively participating or lack of attendance. I also understand that termination from group is considered a violation of my probation, parole, work release, or residential placement.
