POLYGRAPH EXAMINATION WAIVER

I, _____ agree to submit to a polygraph examination for the purpose of resolving the issue of:

Further, I have been advised of my constitutional rights as follows:

1. I have the right to remain silent. Anything that I say can be used for or against me in a court of law.
2. I can talk with an attorney before this examination or before answering any questions. If I have an attorney and want to talk with him/her I can telephone him/her before I answer any questions. I can have an attorney present during questioning, prior to instrumentation.
3. I have read, or had read to me, the above. I fully understand my constitutional rights, and I wish to waive those rights and answer the questions asked of me during this examination.
4. I understand the above listed rights apply to the pre-test questioning, the post-test questioning and the polygraph test questions. I understand the entire polygraph examination procedure starts when I enter the examination room and ends when I leave the room and applies to all of the questions asked while I'm here. I understand all of these rights and wish to take this examination and answer all the questions asked of me during the procedure.

In taking this examination I agree to the placement of the polygraph attachments upon my person.

I further understand that the Polygraph Examiner will release the results of my examination to: Any DCS staff, group facilitator(s), treatment provider(s), and law enforcement/criminal justice agency deemed necessary.

I understand the information developed through this examination may be used for program evaluation, professional development, or training activities that have no bearing on the test result or actions that result from the test result.

I understand the information developed through this examination may be released for research purposes.

I do hereby release and forever hold harmless the Polygraph Examiner from any and all claims of liability relating to or arising out of the operation of the polygraph instrument or the use of the results obtained therefrom.
