

**ANCHOR CLIENT AGREEMENT**

The ANCHOR Center Substance Abuse Evaluation Services goal is to provide you with the opportunity to make important changes in many areas of your life. By providing assessment and referrals to other agencies and interventions offered by the Sixth Judicial District Department of Correctional Services, ANCHOR Center Services aim to promote recovery. This includes breaking the cycle of drug abuse, criminality, arrest and re-arrest and making tangible progress toward developing a healthy, crime free life style. In order to achieve these goals, the following agreement is made between you and the ANCHOR Center Substance Abuse Evaluation Program.

I, \_\_\_\_\_ agree to voluntarily participate in the ANCHOR Center Substance Abuse Evaluation Program and comply with any treatment recommendation made by the Substance Abuse Liaison / evaluating clinician.

I understand that there are certain expectations for my continued involvement with ANCHOR Center Evaluation Services. Some specific conditions are as follows:

- 1. Participation in appropriate substance abuse treatment as determined by the Substance Abuse Liaison / evaluating clinician and myself.
- 2. Participation in random and/or other urinalysis testing as requested/required.
- 3. Compliance with conditions of my probation/parole.
- 4. I will follow recommendations and complete any services I am referred to unless otherwise excused by my supervising agent.

I understand that if I am unable to meet these expectations, I can be unsuccessfully discharged from the ANCHOR Program.
